# PASS PROGRAM TEMPLATES

Two of the primary functions of the PASS program is to assist with the rehoming of potential surrenders to the shelter as well as fundraising for pet deposits.

### **Pet Deposits**

This is what I need to raise a pet deposit for you:

- Name and number of apartment manager
- Name of your apartments and address.
- Name on your lease
- Really cute picture of your pet
- Can you come up with part of it? If so, how much?

We will then call the landlord to confirm their pet can be there and get the info on where they want the money sent.

### **Facebook Posting**

Please Read The Rules Before You Post! They are pinned to the top of the page.
